Don't Waste Your Time! Book Your Stand Today

Waste-Works 2017 is **the** platform for companies within the food & drink sector to showcase the latest and most innovative solutions for waste reduction and repurposing to an audience of key decision makers.

From Farm to Fork to Fertiliser to Fuel

Combined with IFE, the UK's largest & most important food & drink trade event, and Pro2Pac, the UK's only food & drink packaging event, the 3 events together cover the entire supply chain.
